Authorization for this examiner's amendment was given in a telephone interview with Mr Thom Onka on 4/14/04.

The application has been amended as follows:

- In the claims , cancel claims 5 – 7.
- In the abstract , delete the abstract dated 9/17/03, add the new abstract as follow:

### **ABSTRACT**

" This invention provides a cantilever type probe card which has undergone a treatment for facilitating perception of the image of probe needles. This invention, in the probe card 1 having disposed at prescribed positions on the probe card main body 2 such probe needles 3 furnished with bent parts 6 having the leading terminals thereof directed toward an object under test, forms in a at least the parts of the probe needles 3 including the bent parts 6 such reflection lowering parts 31 adapted to repress the reflection of light".

2. The following is an examiner's statement of reasons for allowance:

The prior arts of record disclose on a cantilever type probe card having probe needles disposed on the main body of the probe card, said probe needles being furnished respectively with bent parts having the leading terminals thereof directed toward an object under test. However, the prior arts of record are silent on the parts including at least said bent parts having formed thereon reflection-lowering parts capable of repressing the reflection of light.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
